## PUBLIC WORKSHOP SESSIONS

### ON A PROPOSED STRATEGIC PLAN FOR THE CONSERVANCY

The Sierra Nevada Conservancy, a recently established agency of the State of California, announces a series of public workshop sessions to gather public comment about the Conservancy's proposed Strategic Plan, scheduled for adoption in the summer of 2006.

These sessions are intended to assist the Conservancy in formulating strategic program objectives and priorities. The sessions are open to the general public. The Conservancy will present the draft plan to the public at the workshops and solicit comments and suggestions. All persons who have an interest in the Conservancy, or in the setting of priorities for public resources and public investment within the Sierra Nevada Region, are encouraged to attend.
